

# Detail Itinerary

**Everest Base Camp Trekking** is the best journey in the world. Nepal Everest Base Camp is the most popular destination for trekking. Generally, this is a trip of 11 days for trekking including a day journey with a domestic flight to Lukla. Thus, one more day for the domestic flight back to Kathmandu. This is a trek that needs few spare days if possible regarding flight hassles due to bad weather. This is why *16 days Everest Base Camp journey* is much better including arrival and departure. We offer the best Everest Base Camp Trek cost.

## What is Everest Base Camp and why should I trek?

**Everest Base Camp** (5364m) is the foot of the world's highest Mt Everest (8848m). It would be an achievement in a lifetime. By following the Everest Base Camp route, your footsteps on the most famous mountaineers like Sir Edmund Hillary, Tenzing Norgay Sherpa, and Reinhold Messner. Sir Edmund Hillary and Tenzing Norgay Sherpa were climbed as the first human to the world's highest nature tower. The royalty to climb Mt Everest is about US Dollar ten thousand (seasonally) for one person then why not you touch the foothills of the world Highest peak by self physically at \$50 fee? Everest Base Camp trekking offers majestic towering mountain views with amazing valleys and legendary Sherpa's culture. You can see the world fifth-highest mt Makalu (8485m) and if your journey covers [Gokyo Valley Trekking](#) then see the world sixth-highest Mt Cho Oyu (82001m).

[How to trek to Everest Base Camp?](#) Trekking in the Everest region is many options and such way peaks climbing, expeditions. If you choose [Everest three pass trek](#) then it covers almost region of the Everest. These passes are in hard grade with approx 5400m. We, Nepal Kailash Trekking suggest you do not miss to visit Khumjung Monastery for Yeti Skull. The people from the Khumbu region are Buddhism and the world's strongest as well who have been recorded as a fast climber without oxygen supported. Kalapathar (5545m) is one of the world's best mountain viewpoints which lies in **Everest base camp trekking**. It is the best time to visit in the early morning for sparkling clear.
