

Detail Itinerary

Mount Everest Expedition

Expedition Everest is one of the most adventurous activities of a lifetime for mountaineers. So, it is an ultimate change. Mount Everest is the world's highest towering peak. Our goal is successfully made the summit of Mt. Everest and safely back home. We have been the long experienced team of the mountaineering specialist Sherpa. We look forward to joining the group to compress the economy if you prefer. Expeditions of Everest were successful by Sir **Edmund Hillary and Late Tenzing Norgay Sherpa** on 29 May 1953. The route was taken south Col; it is called expedition from Nepal side as well. And there is another route from Tibet, northern route. The Expedition to Mount Everest has been climbed over 8000 since the first summated.

expedition Everest period and cost

There must be curious to know the cost of expedition Everest. It depends on the group size as well as which category services you want. There are some options for the services such - UIAGM, Union International des Associations de Guides de Montagnes (French) and IFMGA, International Federation of Mountain Guide Associations (English) or locally experienced mountain guide. Everest Expedition takes to complete approximately 45 days to 70 days. There are two kinds of services such as a standard expedition and a luxurious expedition. It also depends on the expedition season. Spring is the best season for the expedition of Mount Everest. Everest expedition price would be approximately USD 35000.00 to USD 130000.00 with all-inclusive, except personal climbing gears.

Prepare for the Everest expedition must have knowledge of climbing equipment and how to use it. You might have climbed experience of at least one peak above 6000m or more or more peaks climbing. During your expedition itinerary, your climbing guide will train you all in the group as well as be done a summit of a peak nearby.
