An early morning transfer to Kathmandu domestic airport for Luka flight. Possibly, the first flight around 06:15 hrs. For the first flight, the group should be at the terminal at least an hour before than departure time. This Lukla flight offers settlements of the countryside, greenery hills, rivers waterfalls etc. Kathmandu to Lukla adventure flight duration is approx 35 minutes. Your first day Everest Base Camp Trekking starts from Luka through villages with beautiful valley towards Phakding, Trekking package inclusive Breakfast, Lunch, Dinner (BLD)

Day 03: Trek to Namche Bazaar (3440m) Trek Duration: 6 hours
Today, Trekking to Namche is one of the most exciting days of the Everest Base Camp Trekking because of you will see the world highest mount Everest through pine forest on the way to Namche climbing if weather permitted you. And, also The Namche Bazaar is the most popular town in the Khumbu region with beautiful settlements. It’s 2nd day of the Everest Base Camp Trekking. Inclusive BLD.

Day 04: Acclimatization to Everest View Hotel and back to Namche
This is the 3rd day of EBC Trek and the most important acclimatize during Everest Base Camp Trekking because of Acute Mountain Sickness (AMS). We highly recommend the hike to Hotel Everest view above Namche or Thame Valley. Hiking to Hotel Everest view offers brilliant views of the world highest Mt. Everest and many others Himalayan of the Khumbu and if you hike to Thame then it will be beautiful scenery valley with Sherpas settlements and monasteries as well as mountains but no Everest view. Back to Hotel/Namche, inclusive BLD.

Day 05: Trek to Tengboche (3860m) Trek Duration: 5 hours
It is 4th-day trekking to Everest Base Camp, as usual after breakfast starts trekking to Tengboche. This day offers you exciting scenery of Everest Base Camp Trekking with wide valleys of Khumbu towards Mt. Everest with a beautiful mount Ama Dablam and much more.Tengboche is a settlement with several tourist business lodges, an old (maintained) and one of the biggest monasteries in the Khumbu region by towering views of Mount Everest. Inclusive BLD.

Day 06: Trek to Dingboche (4410m) Trek Duration: 5 hours
It is day 5th trekking to Everest Base Camp, this day trek to Dingboche which is the 2nd acclimatization base place of the EBC trek. This day already would bring you to close to Mt. Ama Dablam throughout Pangboche and will be seen another new mount Pumori (Mount Mango). And you see closely the most famous climbing peak in Khumbu called Island peak (Imjatse Peak) in the case you would not visit Chuukung next day as second acclimatize day. Inclusive BLD.

Day 07: Dingboche to Nagerjun (5100m) and back to lodge Duration: 6 hours
Up to here, Dingboche is an old settlement village of Sherpas in the region. If you are feeling fit and

fine then we recommend you visit Chhukung valley and try to Chhukung Ri and back to Dingboche, If you hike to Chhukung then it brings you more close to Island peak and others as well. You can see first views of world fifth highest Mt. Makalu (8485m) during your ascend to Chhukung Ri and even you ascend to just above Dingboche, way to Everest Basecamp next morning or direction of the Nagerjun hiking.
