

Detail Itinerary

[Upper Mustang](#) Trek is the forbidden Kingdom of Nepal. One of the regions in Nepal where you can see Tibetan culture and lifestyle. It is an arid and starkly beautiful landscape. The Mustang is an alternative option for [Tibet](#) tour. It is doable as trekking in the monsoon in Nepal. So, it is one of the rainshadow regions in Nepal Himalaya. There seems like nothing plants except the plants which grow in barren. But it is not true regarding cultivating these days in their fields. They plant potatoes, buckwheat, barley as well as apple. Entire Upper Mustang trek you can see Gelukpa and Nyingmapa sect of Buddhism. The most popular monasteries are Ghar Gompa and **Luri Gompa**. You can see the books from the monastery where are written by gold and centuries back statues.

History of Mustang

In 1960 when the Dalai Lama had been fled to India because of the Chinese attack. During the time controlled by Chinese armies over Tibet, Upper Mustang was a center camp for guerrilla against the Chinese. It is an interesting historical record of events in Lo Dating back from the 8th century. Lo is the name of the capital of Mustang, now. Once, Mustang was far-western Tibet, a mane Ngari in Tibet nowadays. It is believed that Ame Pal founded the Kingdom of Lo in 1380 and he was the first King of Mustang. After 25 generations back the last king was Jigme Palbar Bista who died on 16 December 2016.

Now Upper Mustang

Are you being the lazy trek to **Upper Mustang**? Or Are you avoiding Upper Mustang trek because of the motor road? Now Upper Mustang has two options either [Mustang overland tour](#) or trek as usual like in past years. So, no worries for both visitors who do not want to walk and getting irritation because the road has built up. You can still follow old trekking trails. Of course, somewhere and partly encounters the road but it is still worthy and not much disturbing by motors because of just a few times you visit it. Also, it runs when you are on your way in trekking trails. By the way, it is much worthy that you can hire a jeep for Kora la (4660m).

The Kora La is a mountain pass between the Upper Mustang and Tibet/China. It is one of the international borders between Nepal and Tibet. It is can not describe in words how id the geography and landscape. This is why the Upper Mustang trek is one of the best trekking in Nepal. [Upper Mustang trek permit cost](#) is the US \$ 500 per person for the first 10 days then after \$50 per day per head. The group size should be 2 members as a minimum. The Nepal trekking permit is not required below the 10-year child.
